

School Accountability Updates

August 21, 2018

School Accountability Updates- Compliance (Cont.)

- ▶ LDOE Corrective Action Plans(CAP) per SPLC Consent Decree Monitoring
 - The following charter schools received a Level 2 Non-Compliance Notice due to receiving a CAP from the state based upon monitoring conducted in the 2017-2018 School Year:
 - Joseph S. Clark
 - Einstein Charter Middle
 - ENCORE
 - Edgar P. Harney
 - James M. Singleton
 - Langston Hughes
 - Livingston Collegiate
 - Warren Easton
 - The CAPs which extend into spring of 2019, per LDOE protocol, and will be monitored by the state
 - OPSB is prioritizing these schools for fall annual site visits and will be engaging with the schools on their needs in order to exit the CAPs

School Accountability Updates- Compliance

▶ Progress Monitoring- Level 2 Notices of Non-Compliance

▶ Edgar P. Harney

□ Board Governance- Not in Good Standing

- ▶ School received a Level 2 Notice of Non-Compliance on August 1st, 2018 for not having the correct membership on its charter board

□ Special Education – Not in Good Standing – Two Level 2 Notices of Non-Compliance

- ▶ Outstanding Level 2 Non-Compliance Notice issued on April 5th, 2018 re: special education service delivery has been extended due to recent findings from LDOE, which supported OPSB's findings and identified additional violations resulting in a specific set of corrective actions being identified by LDOE for Harney to comply with.
- ▶ Recently, LDOE placed Harney in a Corrective Action Plan as an outcome of the SPLC monitoring in the area of Enrollment, which has resulted in Level 2 Notice of Non-Compliance re: Special Education, that was issued on August 1st, 2018.

□ Financial Management- Not in Good Standing – Two Level 2 Notices of Non-Compliance

- ▶ School received a Level 2 Notice of Non-Compliance on July 20th, 2018 re: financial management, especially related to staff retirement benefits
- ▶ Outstanding Level 2 Non-Compliance related to financial management ongoing, with oversight extending through October of 2018.

School Accountability Updates- Compliance (Cont.)

▶ Progress Monitoring- Level 2 Notices of Non-Compliance

▶ Einstein Charter Schools

- Level 2 Non-Compliance ongoing through the end of the 2018-2019 School Year related to transportation expectations
- District is regularly meeting with Einstein Charter Schools to monitor the terms of the settlement.

▶ Moton Charter School

- Per Policy HC, Moton Charter School received notice on January 16th, 2018, of its placement into Tier 3 Intervention.
- Third-party monitoring on-going, through November 2018.
- The monitor submits monthly reports to OPSB and Moton Charter school, tracking efforts towards substantial compliance with special education responsibilities.
